

## **Al Shorta's Greatest Moments - Number 36:**

### **Al Shorta demolish Duhok in final win at old stadium (2013)**

Al Shorta faced off against Duhok in their fourth game of the 2013-14 Iraqi Premier League, in what was billed as a very tough game for the defending champions pre-match. As it turned out, it ended up being Al Shorta's biggest win of the season as they thumped the Northern side (who finished in fifth place the previous season) by five goals to nil.

Dhurgham Ismail opened the scoring with a fantastic goal, sprinting through the Duhok defence and firing the ball into the top corner. The second half saw Al Shorta run riot, with Mustafa Kareem scoring two tap-ins (both assisted by Amjad Kalaf), and Hamdy Al-Massri and Waleed Salem both scoring from close range towards the end of the game.

It was the best performance of the season from Al Shorta, and it ended up being the club's final competitive win ever at Al Shorta Stadium. They would go on to play only one more competitive match at the stadium which was a 1-1 draw against Al Minaa. It was such a great performance and a convincing win, and when combined with the fact that it was the last win at Al Shorta Stadium and the fact that it played a

huge part in Al Shorta retaining their league title in the 2013-14 season, it is evident that this victory is undoubtedly one of the most unforgettable moments in the history of the club.
